

## AFTER-SCHOOL CLASSES: FALL 2018

Welcome to Brookwood's Fall 2018 After-School Classes! Our courses, led by a dynamic and creative teaching staff, provide students with the opportunity to discover new interests, develop specialized skills, and have fun.

Please sign-up online using the [Parent Resources Server](#) by **Friday, September 7** (most classes begin the following week). Your successful enrollment in the class will appear on your child's schedule as listed in the Parent Resources Server. There is always a chance that a class may not run if we do not have enough students enrolled. Email communication will occur if a class needs to be cancelled due to low enrollment. Also, some classes fill up very quickly. For that reason, registration is on a first-come, first-served basis. **Families are billed through Brookwood accounts for classes and are responsible for full payment once the class begins.**

Contact Justin Zappia at [jzappia@brookwood.edu](mailto:jzappia@brookwood.edu) with any questions.
